

COMMUNITY CENTER CHAPEL
Preparatory School Program Information

The AF Chaplain Service is dedicated to spiritual fitness through quality pastoral care. More specifically, spiritual fitness involves the spiritual, mental, emotional and physical well-being of the individual. For the best well-rounded Preparatory School experience, quality pastoral care enhances spiritual fitness through healthy integration opportunities. The Chaplain Service and its staff at the Community Center Chapel participate in a Cadet Candidate's, also called "Preppies", spiritual fitness in a world class program which involves worship, religious formation, social opportunities, counseling and visitation by chaplains. Please complete the following information as soon as possible. When completed, return this form to the Preparatory School.
