2007 Basic Cadet Training DVD

(Class of 2011)

The first few days after arriving at the Academy tests a new cadet's endurance, both physically and mentally. It's called Basic Cadet Training, or BCT. Cadets call BCT "Beast," because it's like getting devoured by a wild animal. Every day they hit the ground running, from early morning until late evening. Upperclass cadets, under the supervision of officers and enlisted personnel, lead cadets through BCT, helping make the transition from a civilian to becoming a military cadet.

See it *all* in the only Air Force Academy-sanctioned BCT DVD!
