MEMORANDUM FOR DISTRIBUTION O

FROM: HQ USAFA/CC

SUBJECT: Commander Emphasis for “Zero Tolerance” on Sexual Harassment

1. The United States Air Force Academy’s policy on sexual harassment in any form is “zero tolerance.” This is also the widely publicized policy of the Secretary of Defense, the Secretary of the Air Force and the Chief of Staff of the Air Force. Any form of harassment or discrimination impedes our mission—to educate, train, and inspire men and women to become officers of character, motivated to lead the United States Air Force in service to our nation.

2. The Air Force Academy has made great strides toward eliminating sexually harassing behavior. Sexual harassment complaints will be seriously considered, thoroughly investigated and acted upon immediately. Commanders will take swift, firm, corrective action whenever such allegations are substantiated, or perceptions negatively impact duty performance. Commanders and supervisors who become aware of such behavior and fail to take appropriate measures will face disciplinary actions for failing to uphold their inherent responsibilities. Commanders and supervisors are accountable for creating an environment where individuals feel comfortable expressing their concerns. If you believe you are a victim of sexual harassment, it is your duty and obligation to come forward and address your concerns without fear of reprisal or retaliation.

3. Our institutional commitment of “zero tolerance” for sexual harassment is unwavering and nondiscriminatory. We strongly urge each member to actively support our commitment to eliminate sexually harassing behavior at the Air Force Academy. Contact the Equal Opportunity office at 333-4258 to report alleged complaints or to resolve issues of sexual harassment.
