

Environmental Commitment Statement

The United States Air Force Academy (USAFA) is dedicated to protecting the environment while fulfilling its mission “to educate, train, and inspire men and women to become officers of character motivated to lead the United States Air Force and Space Force in service to our nation.”

USAFA strives to:

- **Understand** that all installation personnel are responsible for environmental protection and conservation.
- **Set** attainable goals to promote conservation of natural and man-made resources.
- **Achieve** or exceed environmental goals and objectives by continually evaluating processes and procedures.
- **Focus** on pollution prevention, enhancing Monument Creek stabilization, water quality, stormwater management, and wildlife conservation.
- **Aim** to continually improve environmental conservation, awareness, and competency at all organizational levels by making sound environmental decisions in day-to-day operations while maintaining mission readiness.

All personnel assigned to USAFA shall comply with this policy, relevant local, state, and federal environmental regulations, Executive Orders, Department of Defense, and Department of the Air Force Policies. This is in accordance with Air Force Policy Directive (AFPD) 90-8 Environment, Safety, and Occupational Health Management and Risk Management, and Air Force Instruction (AFI) 32-7001 Environmental Management.

This commitment statement was approved by DANIEL C. WERNER, Colonel, USAF Deputy Commander, 10 ABW, July 22, 2024.
