

## REVISED SPRING 2020 CALENDAR

The revised Spring Semester 2020 academic calendar that follows reflects USAFA's movement to online instruction as of 25 March with the class of 2020 remaining at USAFA and the majority of cadets in the lower 3 classes receiving online instruction from their home of record. If the DoD "Stop Movement" order extends beyond 11 May, this schedule will need to be re-evaluated. This option eliminates Lesson 40 so that final exams can begin as normally scheduled for the class of 2020. The bifurcated schedule for the period 11 – 23 May **appears in blue text for the class of 2020** and **in green text for the classes of 2021 – 2023**. This Spring semester schedule preserves the ability to offer a full summer schedule, but the summer calendar will be reevaluated based on events that occur between now and the end of May.
