“Mission Support” is a strategic imperative and the diversity of our group is a force multiplier ...

10th Mission Support Group

Service support and sustainability add a combat multiplier to our total battlefield capability.

~Gen Edward C. Meyer, USA

And regulation entails organizational effectiveness, a chain of command, and a structure for logistical support.

~Sun Tzu

The award-term incentive is a genuine innovation and one with great potential to forever alter the landscape of Government service contracting.

~Vernon J. Edwards

Yesterday's winning formula ossifies into today's conventional wisdom before petrifying into tomorrow's tablets of stone.

~Sumantra Ghoshal and Christopher A. Bartlett

The privileges of being American belong to those brave enough to fight for them.

~Gen Benjamin O. Davis, Jr., USAF

Never discount randomness.

~Benjamin Franklin

Agile combat support is a vital part of what the Air Force provides the nation.

~Gen Ronald R. Fogleman, USAF

Never tell people how to do things. Tell them what to do and they will surprise you with their ingenuity.

~Gen George S. Patton, USA

A key to winning the first battle, as well as the second and the last battle, is an adequate sustaining capability.

~Chief of Staff White Paper, 1980

Forget logistics, you lose.

~Lt Gen Frederick Franks, USA

Security no longer ends at the base perimeter. We must assume responsibility for a much larger tactical perimeter that will keep the threat away from our people and equipment.

~Gen Robert R. Fogleman, USAF

Things should be made as simple as possible, but not any simpler.

~Albert Einstein

... a meal makes morale, and morale often means the difference in battle.

~Lt Gen William G. Pagonis, USA

Every unit that is not supported is a defeated unit.

~Marshal General of France Hermann Maurice de Saxe

I refused to take no for an answer.

~Bessie Coleman

Being responsible sometimes means pissing people off.

~Gen Colin Powell, USA; 12th Chairman, Joints Chiefs of Staff; 65th U.S. Secretary of State

The true measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.

~Dr. Martin Luther King, Jr.

Air bases are a determining factor in the success of the air operation. The two legged stool of the men and planes would topple over without this equally important third leg.

~Gen Henry H. "Hap" Arnold, USAF

The power of excellence is overwhelming. It is always in demand and nobody cares about its color.

~Gen Daniel S. "Chappie" James, USAF
